

Good morning! Please come in and complete your DLP for today. If you did not submit your SPES paragraph last week, please do so now. After you finish your DLP, please take turns in your group summarizing the story you read last week and comparing it to "The Interlopers." Do a good enough job, so your group members feel like they have a good understanding of the story and your analysis. If you think you can add something to another group member's analysis, you should do so. Don't be afraid to ask questions. While you are doing that, have your discussion questions on "Mending Wall" out on your desk.
