

10/7/16 - 3.4 & 3.5

Thursday, October 6, 2016 5:33 PM

Good morning! Please complete the DLP for today. There are two sentences.

Jerry Garcia and Robert Hunter wrote the song Here Comes Sunshine; my friends and I who heard it preformed on July 2 1999 in Irvine California loved Robben Ford's rendition.

Holistic medicine which includes treatments such as acupuncture and aromatherapy focuses on treating the hole person body and mind rather than just the effected part.
