

Good morning! Please complete the DLP for today. There are two sentences.

Jerry Garcia and Robert Hunter wrote the song "Here Comes Sunshine"; my friends and I, who heard it performed on July 2, 1999, in Irvine, California, loved Robben Ford's rendition. *performed*

Holistic medicine, which includes treatments such as acupuncture and aromatherapy, focuses on treating the whole person, body and mind, rather than just the affected part. *whole*

*effect = noun  
affect = verb*

*than*

*affected*

*then = next sequence  
than = comparison*
