

12/8/16 - 10.1 - 10.5

Thursday, December 8, 2016 7:14 AM

Most American car horns beeps in the key of F, a listener with a good ear can tell a domestic made car from a foreign made car by listening to its horn.

Unusual and comical is the kinds of stories that her and me like best.

Neither Arlo nor Scott are willing to continue painting the fence while you just set there.

Playwright William Shakespeare and mystery novelist Agatha Christie is the English authors. Who's works have been most translated into other languages.

Is a elephant the only creature besides primates who have 4 appendages with hinge joints?
