

5/9/16

Monday, May 9, 2016 4:09 PM

Label clauses, circle subordinate beginners, and then label type of sentence (simple, compound, complex, compound-complex).

1. My favorite class is English because I like to read.
2. In a few years, I will graduate and go to college.
3. Even though we played a review game, I still do not understand math because it is difficult.
