Label clauses, circle subordinate beginners, and then label type of sentence (simple, compound, complex, compound-complex).

1. My favorite class is English ^{S P} because I like to read. ^{S P} *Complex*
2. (In a few years, I will graduate and go to college.) ^{S P} *Simple*
3. Even though we played a review game, ^{S P} I still do not understand math ^{S P}
because it is difficult. ^{S P} *Complex*
