

9/29/16 - 2.5

Wednesday, September 28, 2016 4:47 PM

Good morning! Please come in and work on the DLP below. If you get done early and are waiting for others to finish, pull out your book and read.

The Minoan civilization, which lasted for 2000 years on the island of Crete, developed a rich and prosperous culture beginning around 6000 BCE.

B.C.E.
